--	--	--	--

As you read the above scriptures, some of them may not seem real to you at first. It may even seem as though you really do not have what these scriptures say you have in Christ. But if you will begin to confess them with your mouth, because you do believe God's Word in your heart, then it will become real to you (it is already real in the spirit realm).

It is always with the heart that man believes, and with the mouth he makes his confession unto. When we believe the Word in our heart and confess it with our mouth, then it becomes "real" to us in our heart and real in the physical realm. Faith's confession creates realities.

Christians have been blessed with an inheritance in Christ; everything that Jesus Christ bought and paid for at Calvary belongs to the Christian now. Yet many Christians either don't know what belongs to them or they don't know how to receive and take possession of what is already theirs in Christ. They keep trying to "get" what already belongs to them. Few realize that faith takes hold of these promises and our confession creates the reality of what we believing for in our life as we stand on God's Word. Therefore take time to diligently feed your spirit with the Word of God, faith will arise, and speak out God's Word over your circumstances, God will arise and your circumstance will change.

*Mark 9:23*

*Jesus said to him, "If you can believe all things are possible to him who believes."*
